

Huron Playschool Co-operative

Emergency Management Policy and Procedures

Date Policy and Procedures Established: September 1, 2017

Updated:

Purpose

The purpose of this policy is to provide clear direction for staff and for Huron Playschool Co-operative to follow to deal with emergency situations. The procedures set out steps for staff to follow to support the safety and well-being of everyone involved.

Clear policies and procedures will support all individuals to manage responses and responsibilities during an emergency, resulting in the safest outcomes possible.

Definitions

All-Clear: A notification from an authority that a threat and/or disaster no longer pose a danger and it is deemed safe to return to the child care premises and/or resume normal operations.

Authority: A person or entity responsible for providing direction during an emergency situation (e.g. emergency services personnel, the licensee).

Emergency: An urgent or pressing situation where immediate action is required to ensure the safety of children and adults in attendance. These include situations that may not affect the whole child care centre (e.g. child-specific incidents) and where 911 is called.

Emergency Services Personnel: persons responsible for ensuring public safety and mitigating activities in an emergency (e.g. law enforcement, fire departments, emergency medical services, rescue services).

Evacuation Site: the designated off-site location where shelter is obtained during an emergency. The evacuation site is used when it is deemed unsafe to be at or return to the child care centre.

Licensee: The individual or agency licensed by the Ministry of Education responsible for the operation and management of each child care centre it operates (i.e. the operator).

Meeting Place: the designated safe place near the child care centre where everyone is to initially gather before proceeding to the evacuation site, or returning to the child care centre if evacuation is not necessary.

Staff: Individual employed by the licensee (e.g. program staff, supervisor).

Unsafe to Return: A notification from an authority that a threat and/or disaster continue to pose a danger and it is unsafe to return to the child care premises.

Policy

Staff will follow the emergency response procedures outlined in this document by following these three phases:

1. Immediate Emergency Response;
2. Next Steps during an Emergency; and
3. Recovery.

Staff will ensure that children are kept safe, are accounted for and are supervised at all times during an emergency situation.

For situations that require evacuation of the child care centre, the **meeting place** to gather immediately will be located at the park located at: Huron and Washington streets (northwest corner).

If it is deemed 'unsafe to return' to the child care centre, the **evacuation site** to proceed to is located at: University of Toronto Schools, at the corner of Huron and Bloor Streets (entrance on Bloor Street), through the front doors, down the stairs to the Commons.

Note: all directions given by emergency services personnel will be followed under all circumstances, including directions to evacuate to locations different than those listed above.

For any emergency situations involving a child with an individualized plan in place, the procedures in the child's individualized plan will be followed.

If any emergency situations happen that are not described in this document, the Director/Teacher will provide direction to staff for the immediate response and next steps. Staff will follow the direction given.

If any emergency situations result in a serious occurrence, the serious occurrence policy and procedures will also be followed.

All emergency situations will be documented in detail by the Director/Teacher in the daily written record.

Additional Policy Statements

The role of staff is to ensure that all children evacuate as quickly as possible and that they are accountable for the whereabouts of all children in their care. Therefore,

- All children must wear shoes at all times in case of a real or practiced emergency.
- An emergency backpack with required information for each child and staff, First Aid supplies and any emergency medication must be located near the exit and kept in a updated state at all times.
- Emergency evacuation drills are held once a month. Drills may be stopped at the exit door of Playschool when weather is inclement. Drills are timed and recorded by the Teacher/Director.

Regulatory Requirements: Ontario Regulation 137/15

Emergency management

68.1 (1) In this section,

“emergency” at a child care centre means an urgent or pressing situation in which immediate action is required to ensure the safety of children and adults in the child care centre. O. Reg. 126/16, s. 42.

(2) Subject to subsection (3), every licensee shall ensure that each child care centre it operates has written policies and procedures regarding the management of emergencies that,

- (a) set out the roles and responsibilities of staff in case of an emergency;
- (b) require that additional support, including consideration of special medical needs, be provided in respect of any child or adult who needs it in case of an emergency;
- (c) identify the location of a safe and appropriate off-site meeting place, in case of evacuation;
- (d) set out the procedures that will be followed to ensure children’s safety and maintain appropriate levels of supervision;
- (e) set out requirements regarding communications with parents;
- (f) set out requirements regarding contacting appropriate local emergency response agencies; and
- (g) address recovery from an emergency, including,
 - (i) requiring that staff, children and parents be debriefed after the emergency,
 - (ii) setting out how to resume normal operations of the child care centre, and
 - (iii) setting out how to support children and staff who may have experienced distress during the emergency. O. Reg. 126/16, s. 42.

(3) Despite subsection (2), a licensee is not required to have emergency management policies and procedures described in that subsection if,

- (a) the child care centre is located in a school, the licensee uses or adopts the school's emergency management policies and procedures and those policies and procedures address the same matters as described in subsection (2); or
- (b) the licensee is otherwise required to have a plan that addresses the same matters as described in subsection (2). O. Reg. 126/16, s. 42.

Intent

The intent of this provision is to require licensees to have policies and procedures that protect the health and safety of children and staff in the event of an emergency.

The provision requires that staff roles and responsibilities be clearly outlined in the event of an emergency.
